

We are currently gearing up for another fabulous ILLUMINATE THE NIGHT

Our 10th Annual Gala fundraiser!

All of us at **Spring Forward For Autism** are thrilled to bring you yet another premiere event in Brevard County! Year after year together, we effectively combine resources to provide programs designed with the total family support necessary for children with autism to succeed in reaching their full potential. Our partnerships in the community have proven to be a winning combination for uniting the larger community, maximizing donor impact and most importantly meeting the global needs of the family affected by autism. Our shared vision includes leveraging future opportunities to positively impact the growing numbers of families affected by autism in Brevard, with emphasis on vocational training skills and workforce development.

This year's event to support our cause, will be held on **Saturday April 15, 2023** at the **Hilton Rialto**. An evening filled with sultry performers, silent and live auctions, assorted Hors d'oeuvres, and DJ! A private VIP Cocktail Reception for all VIP table sponsors. Join us to support children in Brevard affected by Autism Spectrum Disorder.

- **Silent/ Live Auctions:** Contribute an item(s) or service(s) that will be on display for auction
- **Event Sponsor:** Your company name will be listed prominently in the program and you will receive recognition at the event, on our website, and on our social media platforms
- **Advertising:** Purchase space in our gala program to increase your market reach

All silent auction donations, artwork, and advertisement agreements must be received by March 25, 2023 to be included in our event program. Please complete the enclosed form. If you have questions, please contact Event Chairs, Susan Belcher at: contact@springforwardforautism.org (954-214-6781) and Wendy Fine at wendy.fine@hotmail.com (702)810-5177

On behalf of everyone at **Spring Forward for Autism** and our autism community, thank you for your generosity. We are very grateful for your support.

HELPING FAMILIES AFFECTED BY AUTISM IN BREVARD COUNTY

Spring Forward For Autism has successfully partnered on multiple outreach programs and community events since 2014 with the goal of providing total family needs of the ASD child in Brevard county while being a model of inclusion, kindness and acceptance for all people to follow. The number of families and level of impact grows significantly by combining the advocacy efforts, resource access and fundraising savvy of SFFA. Partnering with organizations such as The Flutie Foundation, The Scott Center for Autism Treatment, PALS, The Parker Foundation, The Morgan Project, SOAK, UCF CARD, as well as numerous providers has strengthened our shared vision including leveraging future opportunities to galvanize our combined resources to positively impact the growing numbers of families affected by autism here at home, across the US and worldwide, with an added emphasis on vocational training skills and workforce development.

Spring Forward for Autism Mission

Spring Forward For Autism is a nonprofit 501(c)(3) organization whose mission is to raise awareness and provide financial support to families to help their children with autism achieve their full potential. As one of our missions, Spring Forward awards private financial support grants up to \$2,000 per family per year. This can be used for Applied Behavioral Analysis, Speech Therapy, Occupational Therapy, Medical Expenses, Sensory Equipment, Legal Fees for Guardianships, and more. Our goal is to provide guidance, resources, and funding to parents raising a child with ASD. Studies demonstrate that early and intense intervention is crucial when treating individuals affected by autism, yet sadly, very few of the effective treatments are covered by medical insurance. Parents are often left struggling to piece together a treatment program for their child with the limited funds available. These children affected by autism will go without vital treatments due to financial restraints. Spring Forward strives to help their parents so that each child with autism can have the opportunity to reach his or her highest potential.
